

Take a Career Assessment

Take an easy career interest assessment to see which careers might be a good fit for you based on your specific answers.

Explore Careers

Quickly and easily explore industries and careers. Learn about a career and find out how to get the education and training you need to get started.

Create a Post-Secondary Plan

Use MyFuture AZ to start making a plan for your career which helps guide your high school course selection and post-graduation options.

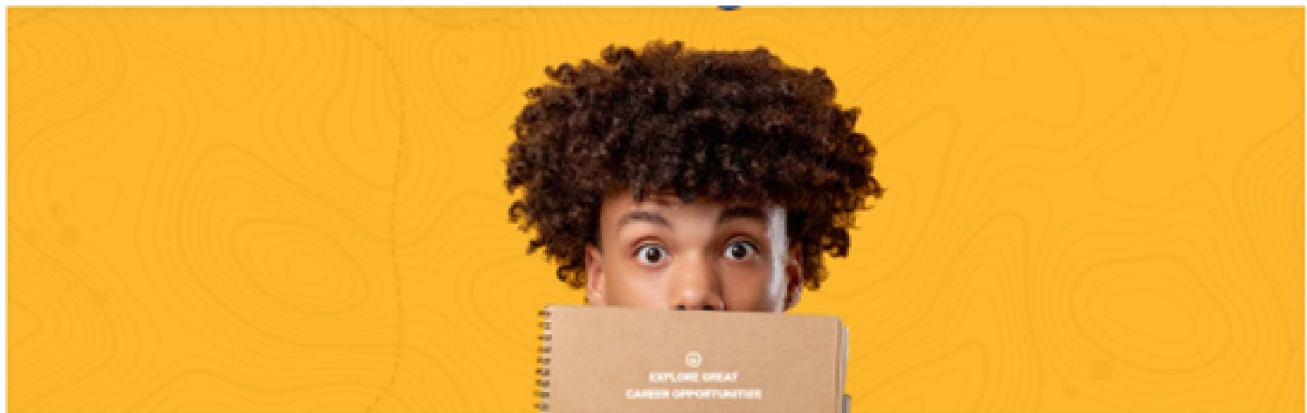

Document Achievements

Throughout your scholastic career you will achieve many milestones. Use MyFuture AZ to document and keep track of those achievements.

Four Year Plan

Complete every part of your ECAP with the MyFuture AZ tool and connect directly with your school counselor and grant access to your parents.

My Future AZ

We are excited to announce the Arizona Department of Education's adoption of My Future AZ as the recommended Education and Career Action Plan (ECAP) replacement tool for AzCIS. My Future AZ utilizes proven technology and infrastructure from Pipeline AZ, to offer students comprehensive resources and support to plan future careers. While the schools are working to develop their ECAP programs, students/parents can register ahead and begin taking career assessments, explore careers and work on their post-secondary plan with their families.

**** Registration is FREE for ALL Middle and High School Students in Cochise County****
Parents, Schools and School Districts are also invited to register. The program is accepted by the AZ Department of Education for the ECAP requirement
